Culver City (September 15, 2014): On **Saturday, September 20**, CHG Circa presents “Giants Among Us” a group show examining the role of the Giant in contemporary times. Modern day Giants prove to be more psychological than tangible in most cases, except perhaps when disguised as championship basketball centers or infamous wrestlers. Yet, since the very beginning of story-telling, giants have recurred as personalities to fear and respect, making mere humans feel small in their shadow, or humongous when the monster is overcome in battle. You’ll see today’s Giant depicted as fantasy, as emotion, even as edible.

At CHG Circa, our artists' personal interpretations of this theme range everywhere from Eric Joyner's fun, epic battle between donut and robot helicopters in "Colossus", to realist painter Sarah Folkman's serene "Fundament". The opening reception for "Giants Among Us" will be hosted on Saturday, September 20, 2014, from 7-10pm at CHG Circa. The reception is open to the public, and the exhibition is on view through October 4, 2014.

### **CHG Circa**

Established in 2012 by Los Angeles gallerists Jan Corey Helford and Bruce Helford, CHG Circa is their exciting new art venue on Washington Blvd. After launching the highly successful Corey Helford Gallery in 2006 in the Culver City Arts District, the Helfords opened CHG Circa as a platform to highlight figurative and pop surreal artists worldwide, including Ray Caesar, Nouar, Sarah Folkman, Sylvia Ji, Luke Chueh, Nate Frizzell, Hikari Shimoda, Brandi Milne and many more. Corey Helford Gallery is internationally renowned for its standout exhibitions, from "Letters From America" during the 2012 London Olympics to "Art From The New World," Corey Helford's transatlantic collaboration with the Bristol's City Museum & Art Gallery showcasing work by a formidable group of 49 of the finest emerging and noted American artists in the New Contemporary art scene. CHG Circa presents exhibitions and special projects of equal quality and caliber. "We believe the artists we show and support are creating timeless art," the Helfords add, and to celebrate this, CHG Circa has an elegant 1930s' ambiance, stamped tin ceilings and 10 foot archways. CHG Circa presents new exhibitions every 4-5 weeks. For more information and an upcoming exhibition schedule, please visit [coreyhelfordgallery.com](http://coreyhelfordgallery.com).
